About

Museum Fauna Indonesia specializes in presenting a wide collection of **Indonesia's diverse fauna**, particularly endemic species, to provide information and education about the country's remarkable wildlife. Its iconic main building, designed in the shape of a giant Komodo dragon—the world's largest lizard, endemic to Komodo Island, Indonesia.

regular
events

01 Plaza Padar

Get hands-on and feed the animals! A fun way to learn about their diets with guidance from our staffs!
