LIFE

We are excited to invite you to  
our upcoming painting exhibition  
at Galeria Sophia, taking place on  
23-24 November 2024

Explore masterpieces that draw from  
various European movements, such as  
Impressionism, Surrealism, and  
Modernism.

Each painting reflects the unique styles,  
techniques, and themes that have  
shaped European art history, offering a  
glimpse into the artists' interpretations  
of their cultural influences.

This exhibition features a stunning collection  
of works inspired by European art,  
showcasing the rich diversity and  
cultural heritage of the continent.
