Story of our home.

Museum Arsitektur Indonesia

Discover the extraordinary world of architectural creativity. Journey through time, explore groundbreaking designs, and witness the evolution of human spaces. From ancient wonders to futuristic concepts, our museum celebrates the art and science of architecture.

Our **journey**
doesn't
come **easy.**

“

Our work does make sense
only if it is a faithful witness
of our time.

Boaz Solossa, Vice President

”

2005

Established by a collective
of visionary architects and
design enthusiasts.
Initial collection focused on
20th-century architectural
movements.

2012

Received UNESCO Cultural
Heritage designation.
Expanded research
facilities.
Developed comprehensive
global architectural
documentation project.

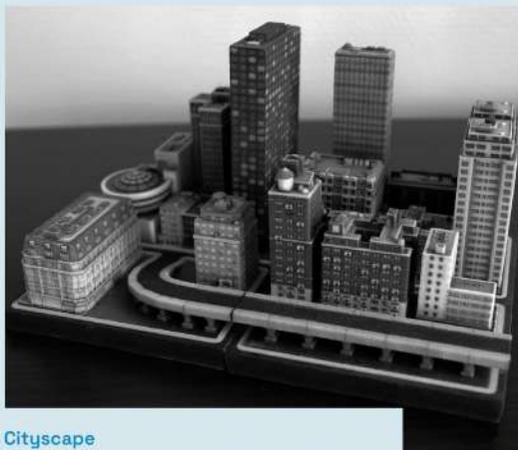

2020

Created extensive virtual
exhibition platforms.
Launched global online
educational programs.
Expanded digital collection
and research resources.

A mosaic of culture and heritage.

Delve into a world of wonder and discovery with our meticulously curated collection. Our exhibits span centuries and continents, showcasing the richness and diversity of human creativity and history.
