protect its diverse
ecosystems.

RO

AB

[BUY TICKETS](#)A large, tan-colored tower shaped like a Komodo dragon's head and neck, with a tiled roof and a balcony. It is set against a white background with some greenery at the bottom left.

With architecture that echoes the shape of a Komodo, the Museum of Komodo becomes an ode to uniqueness and resilience.

OUT

The museum highlights the Komodo dragon's habitat, behavior, and conservation, blending education and inspiration to celebrate nature's resilience.
